

Reduced Fare Program for People with Disabilities

Under this program, people with disabilities may travel on Metrobus and Metrorail for **half the regular (rush hour) fare** at all times.

Who should apply

People with disabilities who need to use **accessible** bus and rail public transportation. See Part C on page four for guidance.

Who is not eligible

People whose sole incapacity is pregnancy, obesity, acute or chronic alcoholism or drug addiction, or have a contagious disease. Financial need is NOT a consideration.

Senior Citizens

People 65 years or older automatically qualify for reduced fares. Senior citizens can purchase a Senior SmarTrip® card or a Metro reduced fare card by showing a valid photo ID with proof of age at any Metro Sales office, commuter store or other select retail outlets.

Medicare Recipients and Disabled Veterans

You automatically qualify if you are a Medicare ID cardholder or a disabled veteran who has been granted a 60% or greater disability rating by the Department of Veterans Affairs. DO NOT complete Part B of the application. Applicants must appear in person at the Metro Transit Accessibility Center, 600 5th Street, NW, Washington, DC with a valid photo ID and either an original valid Medicare card or an original letter of disability notification issued by the Department of Veterans Affairs.

Completing the application

1. Read the entire application and complete Part A on page three.
2. Take the application to your health care professional for certification of Part B on page three. One of the following health care professionals must certify you to qualify for a Metro Disability ID Card: Physician, Physician's Assistant, Nurse Practitioner, Audiologist, Optometrist, Podiatrist, Licensed Clinical Psychologist or Certified School Psychologist.
3. Health care professionals must review Part C: Guidelines for Health Care Professionals on page four.

Washington Metropolitan Area Transit Authority
Transit Accessibility Center
600 5th Street, NW — Washington, DC 20001 — 202-962-2700

Options for submitting your application

By Mail. Mail the original, completed application to the Transit Accessibility Center, 600 5th Street, NW, Washington, DC 20001. Receipt of your application will be acknowledged within one week.

In Person. Bring the original, completed application to the Transit Accessibility Center at Metro Headquarters, 600 5th Street, NW, Monday through Friday between 8 a.m. and 4 p.m. (Closed on federal holidays)

Eligible applicants must bring

- The original, completed application
- A valid photo ID (One of the following: Drivers' license, non-drivers' ID, passport, government or school-issued ID card)
- (Medicare cardholders and disabled veterans) Original qualifying documents and a valid photo ID (See page one)

Groups

Groups are strongly encouraged to schedule appointments for photo ID sessions by contacting 202-962-2700.

For large groups of ten (10) or more, contact the Metro Office of ADA Programs at 202-962-1100 or adap@wmata.com for information about arranging an on-site photo ID session.

Ownership of a Metro Disability ID Card

The valid Metro Disability ID Card must be in the possession of the cardholder at all times while riding Metrobus and Metrorail. The Metro Disability ID Card must be presented when paying by cash on Metrobus, purchasing reduced farecards or reduced fare SmarTrip® cards, or

on demand to Metro Transit Police Officers, Metrobus operators, and Metrorail station managers. Metro Disability ID Cards used in any unlawful manner will be confiscated.

Replacing a lost card

If you lose your valid Metro Disability ID Card, you may obtain a replacement. A fee of \$5 is charged for the first replacement and \$10 for each subsequent replacement. The fee may be waived upon receipt of a police report documenting theft of your Metro Disability ID Card.

Renewing your card

If your Metro Disability ID Card is labeled "permanent," approximately sixty (60) days before your Metro Disability ID Card expires, bring it to the Transit Accessibility Center to be issued a new card. If your "permanent" Metro Disability ID Card has been expired for 30 days or more, you must complete a new application. If your Metro Disability ID Card is labeled "long-term" or "temporary," but your disability continues beyond the expiration date, you must complete a new application.

Appeal process

If you are determined ineligible for the Reduced Fare Program for People with Disabilities, you may appeal the decision. To obtain a copy of the Reduced Fare Program Appeal Process, contact the Metro Office of ADA Programs at 202-962-1100 or adap@wmata.com.

Learn how to use Metro

Metro can help customers with disabilities learn how to use the Metro system for travel around the region. For more information, or to schedule a free travel training session, please contact 202-962-1100 or adap@wmata.com.

Eligibility determinations are governed by the Metro Reduced Fare Program policies in effect on the date the application is received by the Transit Accessibility Center.

Part A: Applicant Information and Release
Please provide all information in print or type.

Name (Last, First, MI): _____ Date of Birth: _____

Street Address: _____ Apartment: _____

City, State, Zip: _____

Phone /TTY: _____

E-mail: _____ Gender (circle): M F

Previous ID Cardholder? (circle) Yes No Medicare Cardholder? (circle) Yes No

60+% Disabled Veteran? (circle) Yes No

Local Emergency Contact _____ Relationship: _____

Address: _____ Phone: _____

I authorize the health care professional completing this application to release to the Washington Metropolitan Area Transit Authority (Metro) information about my disability.

Original Signature of Applicant (under 18, signature of parent or guardian)

Date

Part C: Guidelines for Health Care Professionals

The following guidelines are to be used to determine eligibility for the Metro Reduced Fare Program for People with Disabilities. Health care professionals with questions, please call 202-962-2700.

1. **NON-AMBULATORY:** An individual is unable to walk and requires the use of a wheelchair or other mobility device.
2. **SEMI-AMBULATORY:** An individual has a chronic condition, which substantially limits the ability to walk, or is unable to walk without the use of a caliper leg brace, walker or crutches.
3. **AMPUTATION:** An individual has an amputation of one or both hands, arms, feet, or legs.
4. **STROKE:** An individual has substantial functional motor deficits in any of two extremities, loss of balance and/or cognitive impairments three months post stroke.
5. **NEUROLOGICAL CONDITIONS OTHER THAN STROKE:** An individual has difficulty with coordination, communication, social interaction and/or perception from a brain, spinal or peripheral nerve injury or illness, has functional motor deficits, or suffers manifestations that significantly reduce mobility. A specific diagnosis is required.
6. **PULMONARY OR CARDIAC CONDITIONS:** An individual has a pulmonary or cardiac condition resulting in marked limitation of physical functioning and dyspnea during activities such as climbing steps and/or walking a short distance. * If diagnosis is asthma, please state whether: a) Individual has been on systemic medication for the immediate past six months, OR b) Individual has been required to use fast acting inhaler for three or more episodes per week for the immediate past six months. A specific diagnosis is required.
7. **BLIND OR LOW VISION:** An individual is legally blind, whose visual acuity in the better eye, with correction, is 20/200 or less, or who has tunnel vision to 10 degrees or less from a point of fixation or so the widest diameter subtends an angle no greater than 20 degrees. An individual has low vision, and whose visual acuity is in the range of 20/70 to 20/200 with best correction.
8. **DEAF OR HARD OF HEARING:** An individual with a pure tone average 70 dB or greater in both ears, regardless of the use of hearing aids.
9. **EPILEPSY:** An individual has had at least one tonic-clonic seizure within the past four months.
10. **DEVELOPMENTAL OR LEARNING DISABILITIES:** An individual has a significant learning, perceptual and/or cognitive disability. Some conditions are excluded from eligibility such as attention deficit disorder (ADD). A specific diagnosis is required.
11. **MENTAL ILLNESS:** An individual whose mental illness includes a substantial disorder of thought, perception, orientation, or memory that impairs judgment and behavior. A specific diagnosis is required.
12. **CHRONIC PROGRESSIVE DEBILITATING CONDITIONS:** An individual who experiences debilitating diseases, autoimmune deficiencies, or progressive and uncontrollable malignancies, any of which are characterized by fatigue, weakness, pain and/or changes in mental status that impair mobility. A specific diagnosis is required.
