PURPOSE

To request Board approval to purchase 33 Motorola XTS 5000 portable handheld radios and accessories for use by Metro Transit Police officers and Police officials.

DESCRIPTION

The Metro Transit Police Department expects to graduate 26 police officers between April 4 and June 27, 2008. Several weeks before their graduation, each recruit will receive radio communications training at various locations within the Metrorail system. To optimize that experience, each recruit will be issued a radio. This proposed procurement will acquire those radios, as well as back-up radios, which, on occasion, the Department temporarily issues to other police agencies acting in direct support of Transit Police activities during special events.
