Fiscal End-of-Year Operating Expenditures Trend

Washington Metropolitan Area Transportation Authority Board Action/Information Summary

Action Information	MEAD Number:	Resolution: ☐ Yes ☒ No

PURPOSE

To present the Board of Directors a review of spending trends since FY04, with particular emphasis on spending patterns towards the end of the fiscal year.

DESCRIPTION

Quarterly spending trends since FY04 are examined and trends presented by account. End-of-year operating expenditures more pronounced in non-personnel categories, but trends have improved over the years, and FY07 shows considerable improvement over previous years.

NEXT STEPS

Continue to monitor spending to maintain discipline in this area.

Fiscal End-of-Year Operating Expenditures Trend

Presented to the Board of Directors:

Finance, Administration and Oversight Committee

April 10, 2008

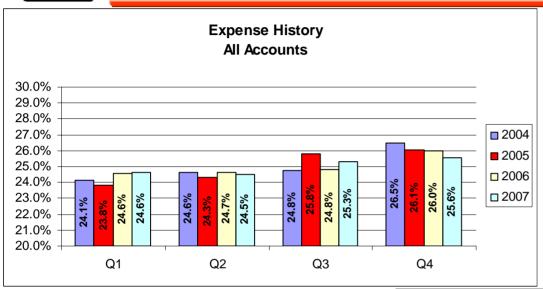

Spending Trends

 As part of the FY09 budget review, the Committee requested review of fiscal spending trends, specifically towards the end of the fiscal year.

Quarterly Spending Trends

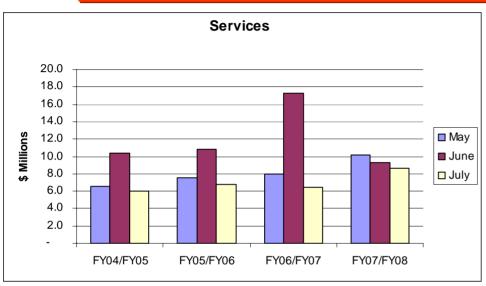

- The trend is more pronounced in non-personnel.
- Trend is improving over time, and shows marked improvement on FY07.

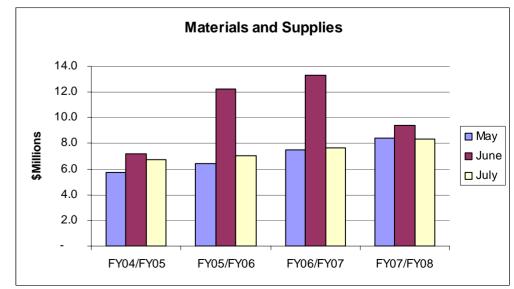

Three Month Spending Trends

 Note: June 05 and June 06 include inventory write offs of \$3M and \$1M respectively.

- Approval and selection process for P&T contracts very time consuming
- Delayed or late invoices
- Note: June 06 services total included a \$4M year-end accounting adjustment in ADA contract.

Conclusions

- The trend is flattening out more than anything due to better accounting and better discipline in the field
- No evidence of end-of-year spending spree
