

RFP CQ18131 – Implementation Hyperion Planning & Budgeting

Pre-Proposal Conference

March 9, 2018

Opening Remarks

- Silence all Cell phones and pagers
- Please sign the attendee log. It will be provided on www.wmata.com
- Safety Contact

Purpose

- The purpose of the conference will be to provide an overview of the project and answer questions regarding the solicitation documents.
- Oral explanations or instructions given before the award of the contract will not be binding. If you have any specific questions, please submit them in writing by COB, March 14, 2018 to creid@wmata.com.

Vendor Registration

Please be advised that all vendors and contractors who do business with the Washington Metropolitan Area Transit Authority (WMATA) must register in the WMATA Vendor Registration System. Registration is located at <http://www.wmata.com>
New Vendor Registration.

If you are a vendor or contractor and *HAVE* done business with WMATA in the past, please electronically request your company's User ID and Password at <http://www.wmata.com>
Forgot User Id/Password.

Registered Vendor Benefits:

- Visibility to WMATA contract administrators and/or purchasing agents during the purchasing decision period;
- Visibility to other 17,500 registered vendors for possible business opportunities;
- Opportunity to update online, company information such as an e-mail address or contact person on-line;
- Ability to sign up for electronic payment option; and
- Ability to electronically reset user id and password.

Any questions regarding registration may be sent to clm@wmata.com.

Overview of CQ18131

The Washington Metropolitan Area Transit Authority (WMATA) requires the services of a qualified contractor to provide consulting services to implement and integrate Oracle's Hyperion v12.1 with WMATA's existing PeopleSoft 9.1 system to provide computerized financial records management capability for approximately 125 users in the Chief Financial Officer's Office (CFO).
