

**Date of Issue: April 13, 2015**

Original Proposal Due Date: April 21, 2015  
**Revised Proposal Due Date: April 27, 2015**

WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY  
600 FIFTH STREET, N.W.  
WASHINGTON, D.C. 20001

AMENDMENT NO. 1  
TO  
REQUEST FOR PROPOSALS  
FOR  
ESCALATOR CANOPIES  
RFP FQ15104

**TO WHOM IT MAY CONCERN:**

The Request For Proposals documents accompanying RFP FQ15104 requesting Proposals for the above project are hereby changed in part as follows:

1. Proposing Requirements

This Amendment No. 1 changes the proposal due date from April 21, 2015 to the revised due date of April 27, 2015.

Delete the following pages and in lieu thereof substitute the accompanying pages:

<u>DELETE</u>	<u>SUBSTITUTE</u>	<u>DESCRIPTION</u>
Section 00 11 -00, Page 1	Section 00 11 -00, Page 1(AM1)	Revised Proposal due date
Section 00 11 -00, Page 2	Section 00 11 -00, Page 2(AM1)	Revised Proposal due date

2. Acknowledgment

Offerors are required to acknowledge receipt of this amendment on the Technical Proposal Form (Page 00 41 20-1) and the Price Proposal Form (Page 00 41 20-3) in the space provided. Failure to acknowledge all amendments may cause the proposal to be considered non responsive, which may require rejection of the Proposal.

Richard Owens

2. Technical Proposal

**B. PRICE PROPOSAL:**

1. Price Proposal Form (properly executed)
2. Price Schedule
3. Price Guarantee
4. Proposal Data Form with Supporting Data
5. Representations and Certifications
6. List of DBE Certified Firms<sup>1</sup>
7. DBE Data<sup>2</sup>

**PROPOSAL(S) MUST SET FORTH FULL, ACCURATE, AND COMPLETE INFORMATION AS REQUIRED BY THIS SOLICITATION FOR PROPOSAL, INCLUDING ALL AMENDMENTS**

**00 11 11 GENERAL STATEMENT OF WORK:**

- A. This Solicitation is for the submittal of Proposals for a Project to construct Station Escalator Canopies and related reconstruction. The Proposer, through itself or others, shall furnish all labor, equipment, materials, quality assurance/quality control, construction and environmental/security/safety superintendence, and field engineering services required for the

[<sup>1</sup> Proposed DBE firms must be certified WMATA DBE firms prior to submittal of Schedule of DBE Participation and Letters of Intent in order to be applied toward the DBE goal established for the Contract. Non-WMATA Certified DBE firms may be utilized by the Proposer but will not be applied toward the goal calculations.]

<sup>2</sup> DBE Data and List of WMATA DBE-Certified Firms must be updated and included in Best and Final Offer (BAFO) submission(s).

construction of the Project. The Proposer is responsible for managing program and project coordination with Jurisdictional Authorities and Utilities through the Contracting Officer Representative; obtaining all necessary permits not provided by the Authority, approvals, and easements; performing architectural and engineering services; providing Submittals, field engineering support, quality management system to ensure that all work conforms to specified requirements; and providing operation and maintenance training and manuals for the systems and equipment installed. No attempt has been made to separate the Work by trades or types of construction, and the Contractor shall make its own decision as to the types of services needed to accomplish the Work.

- B. It is the responsibility of the Proposer to gather all data necessary for the performance of the Work under this Contract that are needed in addition to Authority-furnished RFP Documents.
- C. All work under this Contract shall be performed in a logical sequence as developed by the Contractor.

00 11 12 GENERAL SCOPE OF WORK:

A. Escalator Canopies:

- 1. The work includes all labor, materials, equipment and necessary incidentals required for temporary provisions, and permanent Work as depicted on the Drawings and required by the Specifications for Escalator Canopies at 10 Station Sites (Optional 11<sup>th</sup> Canopy is identified in Section 00 40 00)

00 11 13 LICENSES

- A. If the work described in this RFP is to be performed in Virginia, proposers are required to show evidence of a certificate of registration obtained from the State of Virginia before a proposal may be received and considered.
- B. Each proposer shall provide proof of their registration number at the front of the proposal.
