

PLACE OF PERFORMANCE:

The Project is located throughout the WMATA Washington Metropolitan Area Transit Metro Rail service area. Authority
600 Fifth Street, NW
Washington, D.C. 20001

DESCRIPTION:

The Washington Metropolitan Area Transit Authority (WMATA or Authority) intends to solicit bids for Electrical and Data Cable Installation work to support planned fare system enhancements at rail system mezzanines in Virginia, Maryland, and the District of Columbia. The work will include the installation of CAT 6 cables to faregates and fare vending devices, installation of new electrical circuits in the kiosks, installation of multimode FOC cables to mini-mezzanines, and the installation of conduit and underfloor duct as needed. The contractor, through itself or others, shall furnish all labor, supervision, material supplies, tools, product, equipment, storage, transportation, and other items needed to satisfactorily complete the project. The finished product shall function and be fully compatible with the existing WMATA system. The Contractor shall submit for review and approval a quality control and quality assurance plan specific to this contract; he shall also submit for approval a Safety plan and a Site Specific Work Plan applicable to all the work locations under this contract. The Contractor shall submit for review and approval product data/catalog sheet; and shall submit to WMATA for review and approval an installation plan per mezzanine location where new raceway will be installed. The plan shall include a raceway diagram and drawings identifying material and product and installation procedure per WMATA standards for all the work.

SOLICITATION (drawing & specifications)

The Solicitation will be available on or about **TBD**. The Solicitation will be available on the WMATA and FedBizOps websites. Please do not call or e-mail. Await the official publication on the WMATA

(http://www.wmata.com/business/procurement_and_contracting/solicitations/index.cfm) and FBO websites (<https://www.fbo.gov/index?s=main&mode=list&tab=list>).

WORK TO BE PERFORMED BY PRIME CONTRACTOR

The Contractor shall perform, with its own organization, work equivalent to at least **50%** of the value for the Work of the Contract.

DISADVANTAGED BUSINESS ENTERPRISE (DBE) PARTICIPATION GOAL

The goal of DBE participation established for this Contract is **25.75%** of the Contract Price.

DBE VENDOR DIRECTORY:

http://www.wmata.com/business/disadvantaged_business_enterprise/dbe_search.cfm

DEBARRED OR INELIGIBLE PROPOSERS: All Bidders will be required to certify that they are not on the Controller General's list or any other list for debarred or ineligible contractors for Federal or Public contracts.

PRE-BID CONFERENCE / SITE VISITS

Unless otherwise notified, WMATA intends to hold a Pre-Bid Conference and Site Visit on or about **February 10, 2017 at 10:00 AM**. The purpose of this conference will be to answer questions regarding, or requests for clarifications of, the Invitation documents.

WMATA will have representatives of our Procurement, Insurance, DBE, Safety, and Infrastructure Rehabilitation in attendance. WMATA certified DBE's are strongly encouraged to attend.

It is requested that Bidders submit their questions and requests for clarifications of the terms, conditions, and requirements of this Invitation to Bid to the Contracting Officer in writing either in advance of the meeting or during the meeting.

Although questions from the floor are permissible, statements or representations made during the Conference are not legally binding. Changes resulting from this Conference or the site visits are official only if issued through an Amendment to the Invitation For Bid (IFB).

Although attendance is not mandatory, WMATA highly recommends bidders visit the Site of the Work and inform themselves of all local conditions that may affect the Work or the cost thereof.

Contractor attendance shall be limited to no more than two (2) attendees per contractor.

A scheduled visit to two (2) typical sites will be arranged by the Authority, which will occur immediately after the Pre-bid conference. This visit will be a one-time opportunity. No other opportunities will be available nor will requests for visits be granted.

WMATA WEBSITE: Please visit the WMATA website at www.wmata.com for information regarding this and other contracting opportunities. Please complete the Bidder Registration System, if you have not already done so. Contact Mr. Demetrius Smith at (202) 962-5149 or DRSmith3@wmata.com for assistance, if necessary.
