The Authority may deduct the costs and expenses so charged from any monies otherwise payable to the Contractor. Nothing contained herein shall be deemed to relieve the Contractor of its continuing obligation to perform any portion of the Contract that was not terminated.
- d. The Authority may, in its sole discretion, waive a default by the Contractor, but such waiver shall not be deemed a waiver of any subsequent default.
- e. Upon any termination for default, the Authority may require the Contractor to transfer title and deliver to the Authority, as directed by the Contracting Officer (1) any completed or partially completed Supplies, and (2) , components (including data and intellectual property) and contract rights that the Contractor has specifically produced or acquired for the terminated portion of this Contract.
